## CHAPTER \_\_\_\_\_

An act to amend Sections 5050 and 5134 of, to add Sections 5035.3, 5050.1, 5050.2, 5096.13, 5096.14, and 5096.15 to, and to add and repeal Section 5096.12 of, the Business and Professions Code, relating to accountancy, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

## LEGISLATIVE COUNSEL'S DIGEST

AB 1868, Bermudez. Accountancy: licensure.

Existing law provides for the licensing and regulation of accountants by the California Board of Accountancy in the Department of Consumer Affairs. Existing law prohibits a person from engaging in the practice of public accountancy in this state unless he or she holds either a valid permit issued by the board or a practice privilege, as specified. A violation of this provision is a crime.

This bill would provide that the prohibition against practicing accountancy in California without a license does not apply to a person who holds a valid and current license, registration, certificate, permit, or other authority to practice public accountancy from a foreign country to the extent that he or she is temporarily practicing in this state incident to an engagement in that country, provided that the temporary practice is regulated by the foreign country and performed under the accounting or auditing standards of that country and that the person does not hold himself or herself out as being the holder of a California license or practice privilege. The bill would also, until January 1, 2011, provide that the prohibition against practicing accountancy in California without a license does not apply to a certified public accountant, a public accountant, or a public accounting firm lawfully practicing in another state to the extent that the practice is temporary and incident to practice in that state, provided that the person or firm does not solicit clients in California, does not assert or imply licensure in California, and does not engage in the development, implementation, or marketing to California consumers of any abusive tax avoidance transaction.

Existing law authorizes an individual whose principal place of business is not in California and who has a valid and current license, certificate, or permit to practice public accountancy from another state to engage in the practice of public accountancy in California under a practice privilege if certain conditions are met, including notification to the board of intent to practice.

This bill would, until January 1, 2011, permit a certified public accounting firm authorized to practice in another state that does not have an office in this state to practice public accountancy in California through the holder of a practice privilege if certain conditions are met. The bill would require a notification of intent to practice under a practice privilege to include the name of the firm, its address and telephone number, and its federal taxpayer identification number.

This bill would provide that a person who engages in accountancy in California is deemed to have consented to the jurisdiction of the board and is deemed to have appointed the regulatory agency of his or her state or foreign jurisdiction as the person's agent for a service of process in actions or proceedings by or before the board. The bill would, until January 1, 2011, authorize the board to revoke, suspend, issue a fine, or otherwise restrict an authorization to practice granted to a foreign accounting firm or discipline the holder of that authorization for any act that would be a violation of, or would be grounds for discipline against a licensee or holder of a practice privilege or denial of an accountancy license or practice privilege under, the Business and Professions Code. The bill would allow an application for reinstatement to practice, as specified, and would allow the board to administratively suspend an authorization to practice. The bill would also require the board to amend certain regulations, as specified.

Existing law sets specified fees to be charged by the board, including an annual fee for a practice privilege to be fixed by the board at up to 50% of the biennial renewal fee for an accountant.

This bill would instead require an annual fee for a practice privilege with an authorization to sign attest reports to be set by the board at up to \$125, and for a practice privilege without an authorization to sign attest reports at up to 80% of that fee. The bill would declare the intent of the Legislature that the board adopt emergency regulations providing for a lower fee or no fee

for out-of-state accountants who do not sign attest reports for California clients under the practice privilege, as long as the practice privilege program is adequately funded.

Because this bill may increase fees deposited into the Accountancy Fund, a continuously appropriated fund, it would make an appropriation.

Because this bill would subject additional persons to requirements within the accountancy licensing provisions, the violation of which are a crime, and because the bill would create new requirements and prohibitions within the licensing provisions, the violation of which would be a crime, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

This bill would declare that it is to take effect immediately as an urgency statute.

This bill would incorporate additional changes in Section 5134 of the Business and Professions Code proposed by SB 503, to be operative only if SB 503 and this bill are both chaptered and become effective on or before January 1, 2007, but this bill becomes operative first, both bills amend Section 5134 of the Business and Professions Code, and this bill is chaptered last.

Appropriation: yes.

*The people of the State of California do enact as follows:*

SECTION 1. Section 5035.3 is added to the Business and Professions Code, to read:

5035.3. For purposes of subdivision (b) of Section 5050 and Sections 5054 and 5096.12, “firm” includes any entity that is authorized or permitted to practice public accountancy as a firm under the laws of another state.

SEC. 2. Section 5050 of the Business and Professions Code is amended to read:

5050. (a) Except as provided in subdivisions (b) and (c) of this section, in subdivision (a) of Section 5054, and in Section

5096.12, no person shall engage in the practice of public accountancy in this state unless the person is the holder of a valid permit to practice public accountancy issued by the board or a holder of a practice privilege pursuant to Article 5.1 (commencing with Section 5096).

(b) Nothing in this chapter shall prohibit a certified public accountant, a public accountant, or a public accounting firm lawfully practicing in another state from temporarily practicing in this state incident to practice in another state, provided that an individual providing services under this subdivision may not solicit California clients, may not assert or imply that the individual is licensed to practice public accountancy in California, and may not engage in the development, implementation, or marketing to California consumers of any abusive tax avoidance transaction, as defined in subdivision (c) of Section 19753 of the Revenue and Taxation Code. A firm providing services under this subdivision that is not registered to practice public accountancy in California may not solicit California clients, may not assert or imply that the firm is licensed to practice public accountancy in California, and may not engage in the development, implementation, or marketing to California consumers of any abusive tax avoidance transaction, as defined in subdivision (c) of Section 19753 of the Revenue and Taxation Code. This subdivision shall become inoperative on January 1, 2011.

(c) Nothing in this chapter shall prohibit a person who holds a valid and current license, registration, certificate, permit, or other authority to practice public accountancy from a foreign country, and lawfully practicing therein, from temporarily engaging in the practice of public accountancy in this state incident to an engagement in that country, provided that:

(1) The temporary practice is regulated by the foreign country and is performed under accounting or auditing standards of that country.

(2) The person does not hold himself or herself out as being the holder of a valid California permit to practice public accountancy or the holder of a practice privilege pursuant to Article 5.1 (commencing with Section 5096).

SEC. 3. Section 5050.1 is added to the Business and Professions Code, to read:

(b) Any person engaged in the practice of public accountancy under subdivision (a) is deemed to have appointed the regulatory authority of the state or foreign jurisdiction that issued the person's permit, certificate, license or other authorization to practice as the person's agent on whom notice, subpoenas, or other process may be served in any action or proceeding by or before the board against or involving that person.

SEC. 4. Section 5050.2 is added to the Business and Professions Code, to read:

5050.2. (a) The board may revoke, suspend, issue a fine pursuant to Article 6.5 (commencing with Section 5116), or otherwise restrict or discipline the holder of an authorization to practice under subdivision (b) or (c) of Section 5050, subdivision (a) of Section 5054, or Section 5096.12 for any act that would be a violation of this code or grounds for discipline against a licensee or holder of a practice privilege, or ground for denial of a license or practice privilege under this code. The provisions of the Administrative Procedure Act, including, but not limited to, the commencement of a disciplinary proceeding by the filing of an accusation by the board shall apply to this section. Any person whose authorization to practice under subdivision (b) or (c) of Section 5050, subdivision (a) of Section 5054, or Section 5096.12 has been revoked may apply for reinstatement of the authorization to practice under subdivision (b) or (c) of Section 5050, subdivision (b) of Section 5054, or Section 5096.12 not less than one year after the effective date of the board's decision revoking the authorization to practice unless a longer time, not to exceed three years, is specified in the board's decision revoking the authorization to practice.

(b) The board may administratively suspend the authorization of any person to practice under subdivision (b) or (c) of Section 5050, subdivision (a) of Section 5054, or Section 5096.12 for any act that would be grounds for administrative suspension under Section 5096.4 utilizing the procedures set forth in that section.

SEC. 5. Section 5096.12 is added to the Business and Professions Code, to read:

5096.12. (a) A certified public accounting firm that is authorized to practice in another state and that does not have an office in this state may engage in the practice of public accountancy in this state through the holder of a practice privilege provided that:

(1) The practice of public accountancy by the firm is limited to authorized practice by the holder of the practice privilege.

(2) A firm that engages in practice under this section is deemed to consent to the personal, subject matter, and disciplinary jurisdiction of the board with respect to any practice under this section.

(b) The board may revoke, suspend, issue a fine pursuant to Article 6.5 (commencing with Section 5116), or otherwise restrict or discipline the firm for any act that would be grounds for discipline against a holder of a practice privilege through which the firm practices.

These regulations shall ensure that the practice privilege program is adequately funded. These regulations shall be adopted as emergency regulations in accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code and,

for purposes of that chapter, the adoption of the regulations shall be considered by the Office of Administrative Law to be necessary for the immediate preservation of the public peace, health and safety, and general welfare.

(2) On and after enactment of Assembly Bill 1868 of the 2005–06 Regular Session, the annual fee to be charged an individual for a practice privilege pursuant to Section 5096 without an authorization to sign attest reports shall be fixed by the board at an amount not to exceed 80 percent of the fee authorized under paragraph (1).

(l) Upon the effective date of this section the board shall fix the fees in accordance with the limits of this section and, on and after July 1, 1990, any increase in any fee fixed by the board shall be pursuant to regulation duly adopted by the board in accordance with the limits of this section.

(m) Fees collected pursuant to subdivisions (a) to (e), inclusive, shall be fixed by the board in amounts necessary to recover the actual costs of providing the service for which the fee is assessed, as projected for the fiscal year commencing on the date the fees become effective.
